How to use Van Cleef & Arpels wrist meter ?

1. Make sure in the print options that “Paper Scaling” is set to “No” and that the landscape format is selected.
2. Print your wrist meter on a form sheet.
3. In case of doubt, check your impression with a ruler.
4. Then cut out your meter, and adjust it to your wrist.
5. To find your ideal bracelet size, please refer to the attached chart.

Please note that this size guide is an indicative tool. We recommend our clients to visit one of our Boutiques to try the bracelets in order to define which one fits them best.
